
Focus On The Office – Based Phlebology

HOLIDAY INN HOTEL, KRAKOW, POLAND

PROGRAM

1st December 2023, FRIDAY,

/on Friday 1st of December all Lectures and Discussions in ENGLISH/

TOP 30 In Phlebology 12:00 – 12:30

/An Overview Of 30 Top Scientific Papers Published In Phlebology Journals In 2023/

Moderators: Grzegorz Halena, Uldis Maurins, Tomasz Urbanek

12:00 – 12:10 Top 10 In EJVES - *Grzegorz Halena*

12:10 – 12:20 Top 10 In PHLEBOLOGY – *Michal Molski*

12:20 – 12:30 Top 10 In JVS – VL - *Tomasz Urbanek*

Session No.1 (12.30-13.15)

Practical Aspects of Phlebological Treatment (1)

/Great Saphenous Vein/

Moderators: Erika Mendoza, Tobias Hirsch, Tomasz Zubilewicz, Tomasz Urbanek

12:30 – 12:40 Incompetent Saphenous Vein Should Be Always Ablated/Removed
Grzegorz Halena

12:40 – 12:50 Incompetent Saphenous Vein Should Be Always Ablated/Removed
Against The Motion - *Jean-François Uhl*

Discussion 12:50 – 13:00

13:00 – 13:10 The Treatment Of The Below The Knee Great Saphenous Vein Incompetence
- *Marie Josee van Tongerlo – van Rijn*

Discussion 13:10 – 13:15

Session No.2 13:15 – 14:30

Practical Aspects Of Phlebological Treatment (2)

/Tributaries/

Moderators: Marie Josee van Tongerlo – van Rijn, František Žernovický, Wojciech Rybak, Tomasz Urbanek

13:15 – 13:25 Ultrasound Guided Sclerotherapy: Staged Vs Combined Treatment With EVA
- *Tobias Hirsch*

Discussion 13:25 – 13:30

13:30 – 13:40 Phlebectomy Or Sclerotherapy In Tributary Treatment?
- *Attilio Cavezzi*

Discussion 13:40 – 13:45

13:45 – 13:55 Rotterdam Centre Approach To The Incompetent Tributary Treatment
- *Marie Josee van Tongerlo – van Rijn*

Discussion 13:55 – 14:00

14:00 – 14:10 In Which Patient With Chronic Venous Disease I Am Going For Hybrid Approach?
- *František Žernovický*

Discussion 14:10 – 14:15

14:15 – 14:25 Non – Saphenous Applications Of Laser Ablation
- *Uldis Maurins*

Discussion 14:25 – 14:30

Coffee Break 14.30-15.00

INVITED LECTURE

15.00 – 15.15 Colour duplex investigation of the atypical varicose vein
- *Attilio Cavezzi*

SESSION No.3 15:15 – 16:15

Practical Aspects Of Phlebological Treatment (III)

/Small Saphenous Vein, Popliteal Fossa/

Moderators: Erika Mendoza, Attilio Cavezzi, Michał - Goran Stanisic, Tomasz Urbanek

15:15 – 15:25 How To Treat Small Saphenous Vein Incompetence In 2023?
- **Wojciech Skibinski**

Discussion 15:25 – 15:30

15:30 – 15:40 Giacomini Vein And Proximal Extension Of The Small Saphenous Vein – What Should
- We Know From Anatomy? - **Jean-François Uhl**

Discussion 15:40 – 15:45

15:45 – 15:55 Reflux Origin Of The Incompetent Small Saphenous Vein By Duplex Ultrasound
Determination And Consequences For Therapy Considering The Saphenopopliteal
Junction Type - **Erika Mendoza**

Discussion 15:55 – 16:00

16:00 – 16:10 SSV Proximal Extension Treatment – Practical Advices
- **František Žernovický**

Discussion 16:10 – 16:15

Coffee break 16.15-16.45

HONORARY LECTURE

16:45 – 17:15 Are Recurrent Varicose Veins After Endovenous Treatment Or Surgery So Different?
- **Marianne de Maeseneer**

SESSION No.4 17.15-18.15

Practical Aspects Of Phlebological Treatment (IV)

/Sapheno-Femoral Junction Incompetence, ASSV, Post-Thrombotic Limbs/

Moderators: Marianne de Maesseneer, JF Uhl, Michał Molski, Tomasz Urbanek

17.15-17.25—Practical Aspects Of The Anterior Accessory Saphenous Vein (AASV) Treatment – Not All AASV Should/Can Be Treated In The Same Way!! - **Erika Mendoza**

Discussion 17.25-17.30

17.30-17.40 Laser Crossectomy – Instruction For Users
- **Uldis Maurins**

Discussion 17.40-17.45

17.45-17.55 Preventive Routine AASV Ablation In The Great Saphenous Vein Endovenous Treatment? The Newest Evidence - **Tobias Hirsch**

Discussion 17.55-18.00

18.00-18.10 Invasive Varicose Vein Treatment In Post-Thrombotic Limbs
- **Marie Josee van Tongerlo – van Rijn**

Discussion 18.10-18.15

Round Table Discussion

18.15-18.45

Important Clinical Questions: What Do The Venous Disease Treatment Guidelines Not Say?

Marianne de Maesseneer, Erika Mendoza, Marie Josee van Tongerlo – van Rijn, Attilio Cavezzi, Tobias Hirsch, Uldis Maurins, JF Uhl, František Žernovický, Grzegorz Halena, Tomasz Pelak, Wojciech Rybak

2nd December 2023, SATURDAY

/on Saturday, 2nd of December the Lectures and Discussions in the Sessions Before the Lunch will be in ENGLISH; the afternoon sessions on 2nd of December will be delivered in POLISH/

8.15-8.30

Early morning lecture: Emergencies in office-based phlebology

Acute bleeding from varicose veins

Superficial vein thrombosis in varicose vein patient

Superficial vein thrombosis in non - varicose vein patient

- Michal Molski

Discussion 8.30-8.40

SESSION no.5 08:40 - 09:35

How to avoid complications in office-based procedures?

Moderators: Marie Josee van Tongerlo – van Rijn, Uldis Maurins, Tomasz Pelak, Tomasz Urbanek

8.40-8.50 Complications of thermal ablation

- Grzegorz Halena

8.50 -9.00 Complications of NTNT methods

- František Žernovický

9.00-9.10 Complications of sclerotherapy

- Tobias Hirsch

9.10-9.20 Complications of medical compression

- Arkadiusz Jawień

Discussion 9.20-9.35

SESSION no.6 09.35-10.45

Tools in the box

Moderators: Tobias Hirsch, František Žernovický, Michał Molski, Tomasz Urbanek

9.35 - 9.50 How to achieve the best sclerotherapy results?

- *Attilio Cavezzi*

Discussion 9.50-9.55

9.55-10.10 Mini and micro - phlebectomy still in game

- *Jean-François Uhl*

Discussion 10.10-10.15

10.15-10.25 What is new in NT – NT methods?

- *Michał Goran - Stanisc*

Discussion 10.25-10.30

10.30-10.40 Which endovenous laser technology I would choose in 2023 for my office?

- *Uldis Maurins*

Discussion 10.40-10.45

10.45 -10.55 ISVI Award Ceremony

Coffee break 10.55 -11.20

INVITED LECTURE

11.20-11.35 What should we know about lower limb perforators?

- *Jean-François Uhl*

SESSION no.7 11.35-12.10

Compression in primary and secondary chronic venous disease

Moderators: Marianne de Maesseneer, JF Uhl, Zbigniew Krasiński, Andrzej Szuba

11.35 -11.50 2023 update of medical compression
- *Andrzej Szuba*

Discussion 11.50-11.55

11.55-12.05 Intensive decongestion therapy in the phlebological office
- *Tobias Hirsch*

Discussion 12.05-12.10

Invited lecture 12.10 -12.35

12.10 – 12.25 How to perform optimal photographic documentation in the phlebological office
- advices of the professional photographer - *Ewa Hajduk*

Discussion 12:25 - 12:35

Lecture 12.35-12.50

An update of the deep and superficial vein thrombosis treatment in 2023
- *Tomasz Urbanek*

Lunch Break 12.50 - 13.50

/Saturday afternoon sessions will be delivered in Polish language/

SESSION no. 8 13.50-14.35

**Challenges of the office-based phlebology (1)
DVT/PE patient in phlebological office - discussion forum**

Moderators: Piotr Pruszczyk, Zbigniew Krasieński, Tomasz Urbanek

/Session supported by the education grant of Pfizer/

SESSION no. 9 14.35-15.10

**Challenges of the office-based phlebology (2)
Venous leg ulcer (VLU) patient**

Moderators: Arkadiusz Jawień, Piotr Hawro, Tomasz Kleszczyński, Marcin Kucharzewski

14.35- 14.45 VLU treatment in my office - phlebologist's point of view
- ***Tomasz Pelak***

Discussion 15.45-15.50

14.50 -15.05 VLU treatment in my office - not only ablation, leg compression
and pharmacotherapy... - ***Marcin Tusinski***

Discussion 15.05-15.10

Lecture

15.10-15.25 Glycosaminoglycans in vascular disease treatment - not only in VLU patient
management - ***Tomasz Urbanek***

/Lecture supported by education grant of AlfaSigma/

Coffee break 15.25 – 15.50

**/15.30-15.40 Coffee break with dr Marcin Kucharzewski and updated evidence of the economy class
syndrome and its prophylaxis: patient and physician perspectives - when and how?/**

SESSION no. 10 15.50 -16.30

Challenges of the office-based phlebology (3)

Patient with varicose veins of pelvic origin and pelvic vein diseases

Moderators: Tomasz Kleszczyński, Wojciech Rybak, Jakub Kęsik, Tomasz Urbanek

15:50 - 16:05 Pelvic congestion syndrome - Gynaecologists perspective
- *Slawomir Woźniak*

Discussion 16:05 - 16:10

16:10 - 16:25 Pelvic vein disease - Phlebologists point of view
- *Tomasz Kleszczyński*

Discussion 16:25 - 16:30

SESSION no. 11 16.30 - 17.40

Challenges of the office-based phlebology (4)

Office based C1 treatment

Moderators: Wojciech Rybak, Piotr Hawro, Wojciech Mikusek, Tomasz Urbanek

16.30-16.40 Sclerotherapy in C1 pathology - how to obtain the optimal treatment results?

Joanna Borecka - Sobczak

16.40-16.50 Do we need special imaging in C1 pathology?
- *Tomasz Urbanek*

16.50-17.00 Lasers in C1 pathology treatment -practical advices and instruction for users
- *Wojciech Rybak*

17:00 - 17:10 My approach to C1 pathology
Wojciech Mikusek

17:10 - 17:20 My approach to C1 pathology
- *Tomasz Kleszczyński*

17.20-17.30 My approach to C1 patients and treatment complications
- *Łukasz Szczygieł*

Discussion 17.30-17.40

17.40 End of the meeting
